How long we keep your information

Xerographic Print Service B.V. | XYTECH MODULE TECHNOLOGIES does not hold your personal data longer than is strictly necessary to achieve the goals for which the data are collected. Applicant information is kept for 2 years after we receive it.

Sharing personal data with third parties

Xerographic Print Service B.V. | XYTECH MODULE TECHNOLOGIES will not sell your data to third parties and will only provide this data if this is necessary for the execution of our agreement with you or to meet with a legal obligation. With companies that process your data in our behalf, we will engage processing agreements to ensure the same level of security and confidentiality of your data. Xerographic Print Service B.V. | XYTECH MODULE TECHNOLOGIES will remain responsible for these processing operations.

Cookies, or similar techniques, that we use

In general, our website can be visited without your personal data being provided to us. Like many other websites, this website automatically collects certain non-identifiable information about the users of the website, such as the Internet Protocol (IP) address of your computer, the IP address of your Internet Service Provider, date and time of access. to the website, the internet address of the website from where you are directly linked to our website, the operating system you use, the parts of the website you visit, the pages of the website you have visited and the information you have viewed, information about the type of device you use for your visit to the site, the geo location where you are located and the material that you send or download from the website. This technical information is used to manage the website and system administrator, and to improve the website and its use. These technical data may be passed on to third parties (for example Google Analytics) and can be stored for future use.

View, modify or delete data

You have the right to view your personal data, have it corrected or removed. You also have the right to withdraw any consent to the data processing or to object to the processing of your personal data by Xerographic Print Service B.V. | XYTECH MODULE TECHNOLOGIES and you have the right to data portability. This means that you can submit a request to us to send the personal data that we have available to you in a computer file to you or another organization mentioned by you.

You can send a request for access, correction, deletion, data transfer of your personal data or request for cancellation of your permission or objection to the processing of your personal data to:

finance-nl@xytech.com

Xerographic Print Service B.V. | XYTECH MODULE TECHNOLOGIES would also like to point out that you have the opportunity to file a complaint with the national supervisory authority, the Dutch Data Protection Authority. This can be done via the following link:
